

Japanese in which a number is included ①

Let's write the short sentence in which a number is included.  
Refer to an English sentence, and write kanji in a box.  
The hint is on the right side.

1. 4 or 5 people.

、 人。  
shi go nin

2. The sixth day.

日 日。  
mui ka me

3. A square box.

角い箱。  
shi kaku i hako

4. Eight dishes.

枚の皿。  
hachi mai no sara

5. July 9.

月  日。  
shichi gatsu kokono ka

6. October 7.

月  日  
juu gatsu nano ka
